## ACTIVITIES FOR WEEK OF 25 - 29 JULY 1983

NIO/AL (Hans Heymann) gave a presentation to "Stanford in Government" on the intelligence role in the policy process at the Rayburn House Office Building, met with the DCI Working Group on chemical warfare use to discuss the completion of the draft SNIE on "implications," and debriefed (jointly with NIO/AL David Low) with Ambassador-At-Large Vernon Walters on his recent visit to Turkey.

NIO/AL (David Low) met with intelligence and policy officials at State Department, Treasury, and Commerce in conjunction with the study of Nicaraguan economic vulnerabilities in response to the DCI's request for an expanded assessment.

A/NIO/AL [ ] briefed staffer Bill Barnds of the House Foreign Affairs Committee and staffers of the Senate Governmental Affairs Committee on nuclear developments in India, and briefed the new deputy chief of the DO's Near East Division on nuclear developments in the NESA region.

25X1

Future Activities

NIO/AL (Heymann) is making final preparations for a conference [ ]  
[ ] on Soviet nonproliferation policies and South African nuclear developments.
